Re: Audit of April 30, 2024 Financial Statements for BPW Ontario

I have completed my audit of the 2024 Financial Statements for year ended April 30, 2024. During my audit I noted that the error noted with my audit of April 30, 2023 Financial Statements related to Travel Pool has been adjusted and is now correct.

All other items audited were found to be in order. The Financial Statements have been prepared in an excellent manner and the Board and members can feel confident in the financial position of BPW Ontario. Treasurer Joanne is to be commended for her great work.

Respectfully submitted.
